EINSTEIN'S LETTERS

Some of Einstein's letters are now being sold at record price in London. They offer a great insight into Einstein's thoughts on world affairs. His interests ranged (1) _____ science to politics and religion. In his advice to people who wrote to him on (2) _____ matters he tried to remain diplomatic. He always made a big effort to respond to as (3) _____ letters as he could. He even wrote back to children. In the late 1940s Einstein replied to a correspondent's idea who had proposed a world government in order (4) _____ enforce peace. Einstein felt that there might be advantages in taking (5) _____ in a world government. Particularly bearing Russia in mind, Einstein hoped that the Soviet Government (6) _____ soon see that nothing could be achieved by aggression. His views on (7) _____ to understand his theory of relativity were quite clear. To people (8) _____ thought it too difficult to understand he answered that this was due (9) _____ their spending too little time studying it. His theory, Einstein was convinced, was quite easy to grasp. As far (10) _____ religious beliefs were concerned, Einstein was quite clear: Religious beliefs were the product of human weaknesses and nothing else.
