LISTENING COMPREHENSION

TASK 1

20 POINTS

URBAN PLANNING

In the first part of the test you will hear a radio programme about the design of future cities.

As you listen, fill in the gaps 1-10 in the notes below. In some gaps more than one word is necessary for a complete answer.

Future green cities will have a public transport network.

Increasing numbers of people moving to cities seems to be the .

As people might stay home more, cities will become more places to live in.

According to , a city's population and the quality of its transport system are linked with each other.

Auckland's public transport system, for example, is .

The question is if you should put on a route in a sparsely populated area.

Trains will best cater for long-distance travelling in the shortest .

Buses are more suitable for , to connect stations, for example.

Making people their close relationship with their cars will be very difficult.

It is a car freak's worst not being allowed to drive his car any longer.

TASK 2

20 POINTS

A BIKE TRIP

In the second part of the test you will hear an interview with someone who talks about a bike trip in Cambodia.

For questions 1-10, mark the best answer, A, B, or C.

1. Julia went on this trip because

- A** some of her friends had asked her to join them.
- B** she wanted to visit some friends in Cambodia.
- C** she wanted to return to her old school in Cambodia.

2. The bike ride was

- A** all about crossing physical borders.
- B** about getting to know life in the country.
- C** a means of raising money for a project.

3. The preparations for the trip

- A** involved various logistical skills.
- B** involved testing numerous bikes.
- C** had taken well over a year.

4. Having arrived in Cambodia, the group visited

- A** some schools to learn more about environmental problems.
- B** numerous non-profit organisations to help them raise money.
- C** a number of schools and even taught some lessons there.

5. When travelling, the group

- A rose early because of the cold.
- B had to ride on many bumpy roads.
- C got sick of always eating at markets.

6. When riding their bikes, they wore scarves round their faces

- A so that they would not get sunburnt too much.
- B so that they would not become completely dirty.
- C because all Cambodian travellers wore them.

7. The group decided

- A to see as many stunning sights as possible.
- B to only travel through unspoilt nature.
- C to mainly travel through rural areas.

8. The local people found them special because they

- A were constantly taking photos.
- B spoke a foreign language.
- C looked very strange to them.

9. Julia didn't expect

- A the locals to be so reserved.
- B the country to be so dangerous.
- C the bike ride to be so safe.

10. They only had one flat tyre because of

- A top equipment.
- B spiritual help.
- C pure chance.
