We hope you have enjoyed studying with us. In order to plan future courses, we would be grateful if you could write a short report giving us your views of the course. If you have any suggestions, we would also like to hear them.

Thank you in advance.

*Ms Galton
The Principal*

Task 2 You have seen the following competition in a magazine for young people:

“Do social-networking sites such as *Facebook* and *MySpace* improve a young person's social life or serve as a substitute for a real social life?”
